All – Elizabeth and I are still evaluating information, and we don't have it all from CDM yet, but I wanted you to start reviewing this since we will have short turn around. Please look at the language through Alternative B. I have noted where there are still incomplete sections, so you will know what we are still working on. If you can provide me your comments by Friday morning (my morning) we'll incorporate them into the text. My plan is to complete this over the weekend and get it to you to review on Monday so we can get it out Tuesday. Please let me know if this schedule will not work for you. We can set up some time to discuss, if you feel necessary.

Thanks,

Kristine Koch
